Urban Search & Rescue Plans Team Training

- DESCRIPTION:** This is a FEMA Equivalent Course (Pending). The course is designed to provide the participants with the knowledge, skills and abilities to perform as a member of the Plans Team on an US&R Task Force. Each Task Force is authorized to send two participants to the course; one Plans Officer and one Technical Information Specialist. The two participants will work together during the tabletop exercises just as they would during an actual incident. A heavy focus is placed on 24-hour operations, long term planning and use of the ICS forms and documentation. Participants will learn the essential requirements of providing support, re-supply, transportation, sustainment and maintenance of an equipment cache. Upon completion of the course, participants will be able to successfully perform the position of Planning Team Manager on an US&R Task Force.
- PREREQUISITE:** Basic understanding of ICS forms and the Planning cycle, working knowledge of the Garmin 60CSX and some experience working in the Plans Section of a Task Force is helpful, but not required.
- LEAD INSTRUCTOR:** Geoff Miller, CA-TF7
- DATES:** April 14-18 (Monday-Friday). 0800-1700
- LOCATION:** CA Fire & Rescue Training Authority (CFRTA), 9320 Tech Center Drive, Sacramento CA 95826
