3.10 National Advisory  
Recruitment & Member

March 2019

## Urban Search and Rescue

Administrative Manual

# National Advisory Group Recruitment and Member Responsibility

## **ISSUE STATEMENT**

To establish a guide for members who desire to participate as a member of the National Advisory Group and clearly define the responsibilities of members participating on the National Advisory Group.

## **REQUIRED ACTION**

- Members who desire to participate on the National Advisory Group must apply through their respective Functional Group Leader with oversight to their sub-group leader.
- The VA-TF2 Advisory Group will determine who may be supported for the National Advisory Group position and the availability of funding to support additional members.
- Members who are selected to participate on the National Advisory Group will be fully supported for expenses for all required meetings.
- The number of team members assigned to the Advisory Group will be determined by the East Coast Task Force Leader Representatives and VA-TF2. VA-TF2 supports the need to maintain equity among the East Coast Region teams when it comes to participation.
- Advisory Group members are expected to provide brief meeting report update to the VA-TF2 Program Manager on their activity within 10 days following the National Advisory Group Meetings.
