

Virginia Beach Structural Collapse Specialist School

Sponsored Training Event

10-24-26 to 10-31-26

Location: Virginia Beach, VA
Harry E Diezel Fire Training
Center

VBSCSS DHS FEMA Equivalent Structural Collapse Specialist Course

Rescue personnel looking for a challenge and adventure while gaining Urban Search & Rescue knowledge and experience will find this comprehensive training course educational and rewarding. Students will devote 8 days (80 hours) learning to perform the skills and techniques associated with structural collapse response operations at the technician level. Topics covered include interior and exterior shoring, breaching and breaking of concrete, cutting and burning of metal and heavy lifting and moving techniques including crane operations. Rescue personnel completing this course will be prepared to work as a part of a team to respond to rescue situations involving structural collapses.

Applications and additional information regarding the course are available by contacting
Richard Brown at 757-385-6683
rlbrown@vbgov.com

Mail Applications and Remittance to:
Training Coordinator,
513 Viking Drive, Suite 9
Virginia Beach, VA 23452
